

# SILAS JONES

DESIGNER | VISUAL COMMUNICATION | CROSS-FUNCTIONAL COLLABORATION

Charlotte, NC | silasalvj@gmail.com | 828.395.7073

## PROFILE

Multidisciplinary designer with professional experience translating complex requirements into clear, coordinated design solutions. Experienced in iterative design, visual communication, technical documentation, and cross-functional collaboration across architecture, engineering, and interior design teams. Brings a strong foundation in spatial and visual problem-solving, attention to detail, stakeholder communication, and quickly learning new design technologies.

## DESIGN & COLLABORATION SKILLS

|                               |                         |                                |
|-------------------------------|-------------------------|--------------------------------|
| Visual Design & Communication | Design Development      | Cross-Functional Collaboration |
| Iterative Problem Solving     | Technical Documentation | Stakeholder Communication      |
| Project Coordination          | Design Standards & QA   | Research & Code Analysis       |
| Revit                         | Adobe Photoshop         | Rhino 3D / SketchUp            |
| Rendering & Presentation      | AI-Assisted Workflows   | English / Mandarin             |

## PROFESSIONAL EXPERIENCE

### Architectural Designer

Dec 2024 - Present

*The Housing Studio | Charlotte, NC*

- Develop and refine multifamily design solutions from concept through detailed documentation, using Revit and visual design tools to translate project requirements into coordinated deliverables.
- Collaborate across architecture, structural, MEP, and interior design teams; incorporate stakeholder feedback, resolve coordination issues, and communicate design intent through drawings, models, and presentations.
- Manage concurrent design tasks and revisions while maintaining accuracy, consistency, and alignment with project standards, building codes, accessibility requirements, and deadlines.
- Research design and technical constraints, identify practical solutions, and iterate quickly as project needs evolve.

### Architectural Intern - Healthcare

May 2024 - Dec 2024

*The Haskell Company | Charlotte, NC*

- Supported healthcare projects from design development through detailed documentation, translating concepts and requirements into clear visual and technical solutions.
- Used Revit and other design tools to produce drawings, implement design revisions, and coordinate information with architects, designers, engineers, and project stakeholders.
- Strengthened skills in visual communication, interdisciplinary teamwork, iterative problem-solving, organization, and working within established project standards.

## EDUCATION

### University of North Carolina at Charlotte

Aug 2021 - May 2025

Bachelor of Arts in Architecture

### Beijing SMIC Private International School

Aug 2017 - May 2021

K-12 Private International School

## ADDITIONAL

**International experience:** Attended Beijing SMIC International Private School in Beijing, China (K-12).

**Languages:** Native English; conversational Mandarin.
